

Piano and Organ Duets Arranged by JOEL RANEY

(Updated: January, 2020)

Joel Raney revitalized the genre of Piano and Organ duets with his “Worship Opener” series. The keyboards provide a festive statement of the hymn themes while handbells add sparkle and the SATB choir brings everything to a stirring conclusion. Also included below are duet collections and stand-alone multi-movement works.

All titles are available from hopepublishing.com
